

PIPER CHEROKEE

P28A CHECKLIST

NOTICE:

This booklet is designed as a training aid to assist the Student Pilot in the operations of single engine general aviation (GA) aircraft. However, the Pilot's Operating Handbook (POH) that is located in each individual aircraft shall be the authority if any inconsistency exists between this booklet and the Pilot's Operating Handbook. Before each flight, the pilot should familiarize him/herself with the operating and emergency procedures outlined in the POH.
